

Summer 2009 Adventure Camps for 3rd - 5th graders

Adventure Camps provide opportunities for kids to explore the great outdoors with experienced staff. Camps are small, with no more than 10 kids per camp. This means your child will get individual attention. **Hours:** Monday through Thursday, 9 am - 3 pm and Friday from 9 am - 4 pm. Lunch, snacks and loads of fun provided. **About the Leader:** Diane Schwartz is a member of GCC afterschool staff. She is a certified teacher and holds a Master's Degree in Environmental Studies. She has taken kids on numerous adventures and has a broad knowledge of Wisconsin's animals, plants and people. **Contact** Diane at 608-241-1574 x 278 or diane@goodmancenter.org for more information and registration materials.

Spokes and Jokes: Bicycling Adventure June 15-19

What is a ghost-proof bicycle? One with no spooks in it. If you like to laugh and ride a bike, you'll love this week of fun and adventure. Kids will create their own really cool bike safety yellow t-shirts and learn basic bike maintenance and safety. They'll also explore Madison's great bike paths. Some trips include the downtown Farmer's Market, the Goodman Pool, and a "big ride" on Friday. If needed, helmets, bikes and locks can be provided. Cost: \$175 scholarships provided.

Trails and Tales: Parks Adventure July 13-17

Trails can talk. If you listen, they tell stories about native people, struggling pioneers, glaciers and mastodons, and ancient seas teeming with life. Join us as we explore the rocks, trails and people at area parks. The adventure filled week includes swimming, hiking, games, and great friendships. Each day features a different state park. We close the week with a trip to gorgeous Devil's Lake. Cost: \$225 with scholarships provided.

Bugs and Slugs: Insect Adventure August 17 - 21

Cicadas, fireflies and beetles oh my! Learn how to identify and create your own personal insect observation record. Go on insect observation trips including one to the Spring Green "desert" in search of rare insects and visit the UW's Insect Collection to see fascinating insects from around the world. The week will include one family evening event for firefly and moth viewing. Insect identification booklet and collection net provided. Cost: \$200

scholarships provided.

The Goodman Community Center summer programs are made possible with generous support from the City of Madison, DPI Community Learning Center, the United Way, American Girl Kids Fund, and the generous donations from our community.
